

Casterton Parish Council website report

April 2025

In addition to regular updates to the website, including adding the January meeting minutes and the documents for this meeting:

1. A news story advertising for people to step forward to be co-opted to the parish council was added.
2. A webpage about the development of the 2030 village plan, plus several update news stories, have been added.
3. A map showing lane names in and around Casterton has been added to the Village maps webpage.
